

Abacus Club Consent Form

Dear Parents/Carers,

If your child attends an After School activity you need to inform us of the days and times. Also, how long this club is running for, and do they need collecting at the end of the class. If you are happy that they will walk over to Abacus when it finishes you need to state this. If your child is unwell or not attending the activity for any reason you need to inform us, as we will expect your child to be at that class and not at Abacus until later in the session.

I give my permission for to attend
.....club onnights
from.....to.....and he/she needs to be
collected/will walk across to the After School Club when it
finishes.

If my child is not at school or will not be going to the activity for any reason and should be at Abacus for the whole session I will inform you in advance.
